QUICKBOOKS DATA MIGRATOR

QuickBooks is an excellent product for small businesses that are just getting started. However, as your business grows, your accounting needs change. We at Best Software understand the challenge of a growing business, which is why we offer a straightforward migration path to MAS 90 and MAS 200 product lines and to the next level of functionality.

Making a change from software that you are comfortable with is seldom easy. To help make the conversion process fast and simple, Best has designed the Data Migrator to assist QuickBooks customers like you with a painless change to Best's MAS 90 or MAS 200 software. Enjoy all the benefits of increased functionality, customization capabilities, and flexible reporting without the need to re-key your important information. The Data Migrator can save valuable time and resources in today's fast-paced business environment.

The Conversion Guide is another helpful tool that can alleviate the fear and minimize down time when converting data. The guide outlines the workflow differences between QuickBooks and MAS 90, and correctly sets your expectations when converting your data.

Our nationwide network of qualified MAS 90 and MAS 200 Conversion Specialists have the exclusive rights to our special Data Migrator. Specialists can quickly accomplish data conversion to MAS 90 and MAS 200 from QuickBooks, both Basic and Pro Editions. (Check with your Conversion Specialist to find the specific versions of QuickBooks.) Not only can our Conversion Specialists demonstrate the flexible, intuitive and customizable features available in MAS 90 and MAS 200, they can also minimize the time it takes to convert your data and make it operational on your new MAS 90 or MAS 200 system. Your data will be up and running on your new system in virtually no time.
